

Message from the chair

Hello Everyone,

We would like to invite you to the 5th Annual Orillia Beatles Celebration. This year we have reached our first milestone and to celebrate we have a very exciting program we would like to share with you.

We have expanded our outdoor stages to include, the Main Stage, Up and Coming Stage, Alternative Stage, and the Orillia Today Stage. Also the beautiful and historic Opera House will host live performances all day and into the evening.

There will be film screenings, trivia, live music, arts and craft area for kids, prizes, Beatle market place, guest speakers, artists and vendors. There will be something for everyone to enjoy.

The setting is wonderful as you stroll along the historic down town streets of the Sunshine City, Orillia. The heritage buildings and the water front create a relaxed atmosphere as you enjoy the sights and sounds of everything Beatle.

The Orillia Beatles Celebration is a great opportunity for Beatle fans from near and far to come together to pay tribute and celebration one of the most influential bands to date. Our event is also a learning opportunity and a sharing of musical knowledge and ideas. We encourage young musicians on their musical journey, we encourage artists to perform their unique styles of tributes and we welcome the artists who help recreate some of the images and sounds that have touched our hearts.

The Beatles left us an incredible catalog of music, memories of social and cultural changes, hope for the future, and messages of peace and love that remain timeless. The Orillia Beatle Celebration is a weekend to once again experience the magic.

We hope to see you at the Orillia Beatles Celebration this year, to help us celebrate The Beatles, their music and their message.

On behalf of the Orillia Beatles Celebration Committee, we wish you Peace, Love and good health to you and your families.

Yours truly,

Jo-anne Pyke
Co-Chair,
Orillia Beatles Celebration
